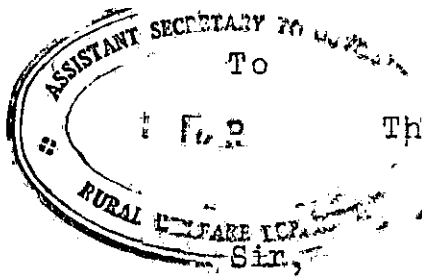
SOUTH KANARA COLLECTOR'S OFFICE,
Mangalore, dated 11- 3- 1952.

From

Sri. A. R. Rajaratnam, B. A.,
Collector of South Kanara.



To

The Secretary to Gov
Rural Welfare Department,
Fort. St. George, Madras- 9.

Sir,

RURAL WELFARE - Agriculture - Agricultural improvement in selected firkas and centres - supply of seeds, manures and pesticides at concessional rates - procedure.

REF:- G.O.Ms.No.150 Rural Welfare Department dated 11-2-1952

I invite Government's attention to the procedure prescribed in para 3 of the G.O cited, in regard to the distribution of food crops seeds, manure seeds and pesticides at concessional rates. The Rural Welfare Officer, Kumbla reports that this procedure will be inconvenient as it involves extra charges for the transport of the articles from the depots concerned. He adds that it might lead to complications in accounting and sales also. I have therefore asked the District Agricultural Officer in anticipation of approval by Government, to instruct the Agricultural Demonstrator concerned to sell the seeds and pesticides from the headquarters depots direct to the ryots on the recommendations of the Rural Welfare Officers at the concessional rate of 80 % the balance of 20 % being treated as subsidy to be adjusted later by means of adjustment bills. I request that my action may be approved.

Yours faithfully,

For Collector.

Sub: Rural Welfare - Agriculture - Agricultural improvement in selected firka's and centres - Supply of seeds, manures and pesticides at concessional rates - Procedure - G.O.Ms.No.150 R.W. d.11-2-52 - Modified

Ref: From the Collr of S.Kanara C.No.5658/52-B7 dt. 11-3-52.

In his letter cited, the Collector of South Kanara has stated that the procedure prescribed in para 1 to para 3 of the orders issued in G.O.Ms.No.150 R.W. d.11-2-52 for applying the concessional rate for the sale of seeds, manures, pesticides etc. would be inconvenient as it involves extra charges for the transport of the articles from the depots concerned and that it might lead to complications in accounting and sales also. The Collector has therefore asked the D.A.O., in anticipation of approval by Govt., to instruct the Agrl.Demonstrator concerned to sell the seeds and pesticides from the Headquarters depots, direct to the ryots on the recommendation of the R.W.O. at the concessional rate of 80 % of the sale price, the balance of 20 % being treated as subsidy to be adjusted later by means of adjustment bills. The action of the Collector is ratified.

With reference to the Finance remarks at 'A' above, it may be stated that no other collector has suggested a simpler procedure in the matter.

The Collector of S. Kanara has already followed the procedure different from that prescribed, presumably with ref. to the special conditions prevailing therein. It may also be stated that the present proposal is only to ratify what has already been done. The concessions sanctioned in the G.O. at (H) lapsed with the end of 1951-52 whether the procedure followed by the Collector of S. Kanara should be adopted universally can be considered with the question of extending similar concessions during 1952-53. Finance may see again for acceptance of the draft
